

Research Project for Learning Centre of Rangsit University
Academic Year _____

1. Research Title _____

2. Researcher Type

- The researcher has been funded before by (please specify) _____
- The researcher has never been funded before.

3. Types of research for Learning Centre (Please select one of the following)

1. Research on students

- Enhancing the learning achievements
- Enhancing the learning skills
- Improving characteristics, behaviors, and attitudes of learners
- Others (please specify) _____

2. Research on teachers

- Instructional design and planning
- Developing and increasing instructional efficiency
- Others (please specify) _____

3. Research on improving instructional models and teaching techniques

- Strategies – instructional models -- effective teaching methods
- Teaching techniques and teaching activities
- Measurement and evaluation of teaching and learning
- Problem solving in the classroom
- Others (please specify) _____

4. Research on creating teaching media or innovation

- e-Learning
- e-Book
- Visual media kit for teaching and learning
- Database, website, and webpage
- Operating equipment for teaching and learning
- Others (please specify) _____

5. Research on supporting factors for Learning Centre

- Teaching Equipment Audio Visual Equipment
- Classroom conditions -- labs such as lighting, sound, temperature
- Others (please specify) _____

4. Courses / Fields of research _____

5. Researcher

Name-surname _____

Education _____

Academic title _____

Workplace _____

Telephone number _____

Remarks: For co-researcher, fill in the details as in number 5.

6. Research advisor

Name-surname _____
 Education _____
 Academic title _____
 Workplace _____
 Telephone number _____

7. Venue of the study or data collection

8. Significance and statement of problems

Remarks: It requires reference to content from theory or related research.

9. Research objectives

10. Significance of the study

11. Literature review and related research (briefly)

12. Research methodology (specify as follows)

12.1 What is the research design? (descriptive, action, experimental, historical, document, case study, etc.)

12.2 Population and sample by specifying the sampling technique

12.3 Research instruments by specifying the characteristics of the instruments

12.4 Data collection

12.5 Data analysis by specifying the statistics use (if any)

12.6 The operation throughout the research project. (Please specify the procedures in details. If it is a co-project, specify division of work and responsibilities.)

13. Scope of the study _____
(Hypothesis, content in the research, and conceptual framework)

14. The operation plans throughout the research project _____
_____(Provide a diagram showing the steps for conducting research for each month)

15. Budget _____ (See the details about budget)

16. References _____

Signed _____ Researcher
()

17. Opinions from Head of the Department/Supervisor/Director

Signed _____
()

18. Opinions from the committee of the Faculty (signed by the Dean)

Signed _____

**Criteria for Submission of Research Funding Proposal for
Learning Centre**

List	Price (baht)
1. Remuneration costs (choose only one)	
➤ For 1 research advisor (in RSU)	1,000
For 1 research advisor (not in RSU)	2,000
2. Material costs (choose 1 type)	Please specify
➤ Materials according to research project *especially research project with material costs	
➤ E-Learning *especially for research on E-Learning media	5,000
• For Script and Storyboard writing (paid for head of the research project)	1,500/5,000
• Courseware for 3–6 hours (paid for the developer) per hour (no more than 30,000 baht)	
➤ E-Book *especially for research on E-Book media	5,000
• For Script and Storyboard writing (paid for Head of the research project)	100/ 250/ 350
For E-Book development (paid for the developer in level1/ level2/ level3) per page ((no more than 30,000 baht)	
3. Operational costs	
3.1 Questionnaire and data analysis per copy	20
3.2 Typing, photocopying, and binding in lump sum payment	5,000
3.3 Transcribing and content writing (in case of an interview) per hour	300
3.4 Constructing research instruments (only in case of general research that has created or developed a new tool) in lump sum payment	5,000
3.5 Miscellaneous in lump sum payment	1,000
Total amount of budget for Head of the Research Project	XXXXX
4. Others (paid in the name of Learning Centre)	
4.1 Two experts for evaluating a research article (only published articles in journals for Learning Centre of Rangsit University)	2,000
4.2 An expert for evaluating a research proposal	1,000
4.3 An expert for evaluating an abstract	200
4.4 A reward for a complete research project (paid for head of the research project)	3,000
4.5 Research publishing and presentation (paid for head of the research project)	3,000/5,000/10,000
Total	16,200

Criteria for submission of research funding proposal for the committee are as follows:

15.1 **General research project** can be categorized as follows:

☞ **1. Remuneration costs**

1.1 Remuneration for research advisors*(choose only one)

- One research advisor (in RSU) for 1,000 baht
- One research advisor (not in RSU) for 2,000 baht

**Qualification of the research advisor: Knowledgeable and skillful in the discipline that the researcher wants to study, being able to give advice, consult, review the overall quality of the research report and research paper to be published*

☞ **2. Material costs**

It means the amount of money paid for the purchase of consumables, which may be categorized as electrical materials, home and kitchen materials, food materials, construction materials, scientific or medical materials, agricultural materials, advertising materials and the distribution of costumes for research, etc. The list of materials must be based on the nature of the research project.

☞ **3. Operational costs**

3.1 Questionnaire and data analysis for 20 baht per copy

3.2 Typing, photocopying, and binding in lump sum payment for 5,000 baht

3.3 Transcribing and content writing (in case of an interview) for 300 baht per hour

3.4 Constructing research instruments (only in case of general research that has created or

developed a new tool) in lump sum payment for 5,000 baht

3.5 Miscellaneous in lump sum payment for 1,000 baht

☞ **4. Others (paid in the name of Learning Centre at the highest rate of 16,200 baht)**

4.1 Two experts for evaluating a research article (only published articles in journals for Learning Centre of Rangsit University) for 2,000 baht

4.2 An expert for evaluating a research proposal for 1,000 baht

4.3 An expert for evaluating an abstract for 200 baht

4.4 A reward for a complete research project (paid for Head of the research project) for 3,000 baht

4.5 A reward for Research publishing and presentation (paid for Head of the research project)

- For publication in national journals in the database of the Thai Journal Indexing Center (TCI): group 2 for 3,000 baht / group 1 for 5,000 baht

- For publication in international journals in the database of ISI with Impact Factor of 0.125-0.5 for 5,000 baht/ more than 0.51 for 10,000 baht

Remarks

There are no budgets for the following expenses:

1. Travel expenses
2. Research assistant fee

15.2 Research project on E-Learning can be categorized as follows:

☞ **1. Remuneration costs**

1.1 Remuneration for research advisors*(choose only one)

- One research advisor (in RSU) for 1,000 baht
- One research advisor (not in RSU) for 2,000 baht

**Qualification of the research advisor: Knowledgeable and skillful in the discipline that the researcher wants to study, being able to give advice, consult, review the overall quality of the research report and research paper to be published*

☞ **2. Material costs**

2.1 For Script and Storyboard writing (paid for Head of the research project) in lump sum payment for 5,000 baht

2.2 Courseware for 3–6 hours (paid for the developer)

- Developing Courseware by using Adobe Presenter, Adobe Captivate, Camtasia Studio or equivalent programs (1,500 baht per hour)
- Developing Courseware by using Adobe Flash, Adobe Autoware, Adobe Dream weaver, Toolbook or equivalent programs (5,000 baht per hour) (no more than 30,000 baht)

☞ **3. Operational costs**

3.1 Questionnaire and data analysis for 20 baht per copy

3.2 Typing, photocopying, and binding in lump sum payment for 5,000 baht

3.3 Transcribing and content writing (in case of an interview) for 300 baht per hour

3.4 Miscellaneous in lump sum payment for 1,000 baht

☞ **4. Others (paid in the name of Learning Centre at the highest rate of 16,200 baht)**

4.1 Two experts for evaluating a research article (only published articles in journals for Learning Centre of Rangsit University) for 2,000 baht

4.3 An expert for evaluating a research proposal for 1,000 baht

4.3 An expert for evaluating an abstract for 200 baht

4.4 A reward for a complete research project (paid for Head of the research project) for 3,000 baht

4.5 A reward for Research publishing and presentation (paid for Head of the research project)

- For publication in national journals in the database of the Thai Journal Indexing Center (TCI): group 2 for 3,000 baht / group 1 for 5,000 baht
- For publication in international journals in the database of ISI with Impact Factor of 0.125-0.5 for 5,000 baht/ more than 0.51 for 10,000 baht

Remarks

There are no budgets for the following expenses:

1. Travel expenses
2. Research assistant fee

15.3 Research project on E-Book can be categorized as follows:

☞ 1. Remuneration costs

1.1 Remuneration for research advisors*(choose only one)

- One research advisor (in RSU) for 1,000 baht
- One research advisor (not in RSU) for 2,000 baht

**Qualification of the research advisor: Knowledgeable and skillful in the discipline that the researcher wants to study, being able to give advice, consult, review the overall quality of the research report and research paper to be published*

☞ 2. Material costs

2.1 For script and storyboard writing (paid for Head of the research project)

2.2 e-Book development (16 pt. font) for content from 50 to 150 pages (paid for the developer)

- Level 1 Basic: Slides and content production costs are at 100 baht per page.

- Level 2 Progress: (Level 1 + VDO animation) Production costs are at 250 baht per page.

- Level 3 Interactive: (Level 2 + Action button for interactive interaction)

Production costs are at 350 baht per page.

** In case of developing an e-Book comic, production costs are at 200 baht per A4 size page. but the maximum is 30,000 baht.*

☞ 3. Operational costs

3.1 Questionnaire and data analysis for 20 baht per copy

3.2 Typing, photocopying, and binding in lump sum payment for 5,000 baht

3.3 Transcribing and content writing (in case of an interview) for 300 baht per hour

3.4 Miscellaneous in lump sum payment for 1,000 baht

☞ 4. Others (paid in the name of Learning Centre at the highest rate of 16,200 baht)

4.1 Two experts for evaluating a research article (only published articles in journals for Learning Centre of Rangsit University) for 2,000 baht

4.4 An expert for evaluating a research proposal for 1,000 baht

4.3 An expert for evaluating an abstract for 200 baht

4.4 A reward for a complete research project (paid for Head of the research project) for 3,000 baht

4.5 A reward for Research publishing and presentation (paid for Head of the research project)

- For publication in national journals in the database of the Thai Journal Indexing Center (TCI): group 2 for 3,000 baht / group 1 for 5,000 baht

- For publication in international journals in the database of ISI with Impact Factor of 0.125-0.5 for 5,000 baht/ more than 0.51 for 10,000 baht

Remarks

There are no budgets for the following expenses:

1. Travel expenses
2. Research assistant fee
